OUR MISSION

Educating head, heart, and hand for today, for tomorrow, and for eternity.

OUR VISION

We are a Christian-based virtual school with the vision of helping to prepare children, youth, and even adults for the Kingdom of Heaven. We exist to work alongside the parents who are the first teachers in the lives of our students. We believe that **true education** brings us to a clearer knowledge of God, and that the school on earth should prepare one for the School above. This is our goal, our passion, and our lifework.

OUR HISTORY

INHOMe Academy, a virtual k-12 school, began after God gave Muriel Dublin an audible impression to "start a school." With this strong impression, she called a friend 2 weeks later to ask her if she would consider teaching at the school. To her surprise, the friend said "Yes". Muriel was very surprised that her friend said yes without questioning. The friend continued, "While reading my devotional two weeks ago, I heard a whisper, "You will be doing something in education with Muriel". She was given that impression around the same time Muriel got hers. That was amazing! From that time, the Lord would lead her to amazing teachers who helped start the school. They offered elective classes as a trial run. This trial run started April 11, 2022 and ended June 17, 2022. These classes were offered free to anyone who wanted a christian based education. The electives generated interest for the school year to follow. Those classes were: 1. Bible, 2. Art, 3. Music, 4. Spanish and 5. Medical Missionary Training. It was a tremendous success. The first academis year commenced in September of 2022, right after Labor Day. Since Muriel and her family lived in a rural area, the school would be a virtual school. In this way, it would be accessible to all students

wanting a christian based education anywhere in the United States and even some countries outside the United States.

OUR FRAMEWORK & EDUCATIONAL PHILOSOPHY

By the blessing and power of the Holy Spirit, we endeavor to teach and equip students to place Christ at the center of every aspect of their lives, including their health and wellness, relationships, academics, practical skills, discipleship, stewardship, and every other area of Christian living.

Scripture Texts

And this is life eternal, that they might **know thee the only true God**, and Jesus Christ, whom thou hast sent. - John 17:3

Yea doubtless, and I count all things but loss for **the excellency of the knowledge of Christ Jesus** my Lord: for whom I have suffered the loss of all things, and do count them but dung, that I may win Christ. - Philippians 3:8

3 Angels Message

Revelation 14: 6-12

Spirit of Prophecy

Having received the faith of the gospel, the next work of the believer is to add to his character virtue, and thus cleanse the heart and prepare the mind for the reception of the knowledge of God. **This knowledge (the knowledge of God), is the foundation of all true education and of all true service.** It is the only real safeguard against temptation; and it is this alone that can make one like God in character. Through the knowledge of God and of His Son Jesus Christ, are given to the believer "all things that pertain unto life and godliness." No good gift is withheld from him who sincerely desires to obtain the righteousness of God - AA 530.3

All true knowledge and real development have their source in a knowledge of God. Wherever we turn, in the physical, mental, or spiritual realms; in whatever we observe and study, apart from the blight of sin, this knowledge is revealed. Whatever line of investigation we pursue with a sincere purpose to arrive at truth, we are brought in touch with the unseen mighty Intelligence that is working in and through all. The human mind is brought into communion with the mind of God, the finite with the Infinite. In this communion is found the highest education. It is God's own method of

development. “Acquaint yourself with Him” (Job 22:21) is God’s message to the human family. The method outlined in these words was the method followed in the education of Adam and Eve. – TEEd 9.3-4

Williams Rules of Bible Interpretation

Those who are engaged in proclaiming the third angel’s message are searching the Scriptures upon the same plan that Father Miller adopted. In the little book entitled “Views of the Prophecies and Prophetic Chronology,” Father Miller gives the following simple but intelligent and important rules for Bible study and interpretation – GOP 305.1; RH, Nov. 25, 1884, paragraph 23.
